Bluegrass Festival

Granite Hill has been home to the internationally acclaimed Gettysburg Bluegrass Festival since 1979! The bi-annual festival is a celebration of traditional and contemporary bluegrass music, with a sprinkling of classic country, newgrass, and other related acoustic styles. Concerts are presented on a beautiful timber frame stage situated among the rolling hills of our 150 acres of farmland.

Each festival has featured informative workshops presented by your favorite artists, meet and greets with the fans, food trucks of varying cuisine, arts & crafts vendors, as well as many other activities to fill your days when not enjoying the music. The 86th and 87th Gettysburg Bluegrass Festivals are scheduled for May 16-19 and August 15-18, 2024, respectively.
